Assistant Principal

Greetings from the Leesburg High School Band Parents Association (LHSBPA). This information packet will acquaint you with the various aspects of the Leesburg High School Swarm of Sound Instrumental Music Program and our organization the Leesburg High School Band Parents Association. We will explain the LHSBPA's purpose and objectives to help accomplish the goals of our children through the development of their talents and skills in the fine arts.

The LHSBPA is a Florida Non-Profit Corporation whose purpose is educational. We are an independent organization that helps support the music program in a manner that is satisfactory to the Lake County School District, School Administration, and Band Director of the Leesburg High School Swarm of Sound Band.

The LHS Swarm of Sound Band hopes to expand by being able to offer the opportunity to those who do not have the means to participate. Under the umbrella of the LHS Swarm of Sound Band, we have a competitive color guard, a dance team, a jazz band, two concert bands, a marching band, and an indoor percussion ensemble. The LHS Swarm of Sound Band has met the high standards throughout the local competitions / festivals and wishes to represent its community by competing statewide, regionally and, someday, nationally.

The LHSBPA's main objective is to enrich the lives of young people by fostering their musical interest through the Music Department of Leesburg High School. Each child is given the opportunity to participate in the department's programs, groups, and functions. We accomplish this by funding the cost of specialized instruction, entry fees, transportation, uniforms, and equipment maintenance. The bulk of these expenses exceed what is provided by the Lake County School District and are now being provided by student participation fees, parent support, fundraising events and community / corporate sponsorships. Each student is responsible for contributing approximately \$500 per year in band fees and transportation costs, while we spend approximately \$700 per student.

This is where you and the generosity of your group, organization or business come into action. We will now outline for you the different levels of sponsorship that you may participate to become a Proud Sponsor of "The Leesburg High School Swarm of Sound Band". Remember that your donation is tax-deductible and you will be supporting our youth in their pursuit to enrich themselves and their community.

Sincerely,

Kate O'Sada
President
LHSBPA
